What's Goin' On?!?!

The November Trailblazer meeting will be held on Thursday night, Nov. 2nd, at 7:30 at Jack's on 7th Street...November is election month, and we'll be electing our new executive board for 2007...So far, the nominees include incumbents: Tom Mathews - President, Jerry Adams - VP and Frankie Pietras - Treasurer...Jennifer Dilworth has asked to move on (to work on a very special day, right Jen? Congrats!)...Leah Mitcham has been nominated to the secretary position...We will be accepting any additional nominations from the floor prior to the elections...

Our RED jerseys are in! Jerry Adams is currently sorting through them and will have them for distribution at the meeting on Thursday night! They are smokin' hot!

AND, just in time for the holidays, we have purchased an additional run of the original blue jersey! So if you missed out on your orders, here's your chance to cover your bod with the sharpest jersey in the southeast! The blue jerseys will sell for \$50 to members, \$65 to non-members (includes a \$5 discount on the club fee)...These will make the perfect Christmas gift!

On Saturday, the USNWC will hold its White Water Festival, and the Trailblazers and Dirt Divas will be on hand to sell jerseys, memberships and to lead trail rides around the facility...We're always looking for volunteers, please stop by between 10:00 and 2:00 and lend a hand!

The Dirt Divas/Trailblazers End of Year Party will be held at the Field Trail Barn at Anne Springs Greenway in Fort Mill, SC on Sunday, November 5th, from 1:00 - 6:00 PM. Group rides start at 1:30 and food will be served at 4:00. Please RSVP to president@tarheeltrailblazers.com to make your reservation. Trailblazer members are requested to make a \$5 donation to cover costs. We'll be selling jerseys and I'm sure there will be some available as raffle prizes! It'll be a blast!

From Charlotte take I-77 South to exit 90. Turn LEFT at the light at the bottom of the ramp. Continue through 5 lights for 1.3 miles and turn LEFT onto US-21 Business. ('Times TurnAround' Gas and convenience store is on the corner.) Continue for 1 mile. There is a new road pattern and traffic light. Turn Left at the light (still on Bus. 21) and continue about another .75 mile. At the white fence and white house on the right, turn LEFT onto Springfield Parkway. Go 1.2 miles. Just after passing the new "Springfield" neighborhood on the left, you'll see the ASG entrance sign on the Right. Turn RIGHT. Continue ~ 1/4 mile on this gravel road and you'll see the RED Field Trial Barn up ahead on the left. (When you are on Springfield Parkway, if you come to a fork in the road, you've gone too far.)

Last, but certainly not least, the Big Stampede rolls into Lowes Motor Speedway on Sunday, Nov 12th. This is a huge swap meet, and the Trailblazers will be hosting 30 and 50 miles fully supported road rides, The Southside Spanker on the Northside! I believe the ride time is 11:00 am, but please check for details on our website at www.tarheeltrailblazers.com We are in need of volunteers to man rest stops and registration, serve food and tear down following the event. We also need assistance to mark the course on Sat the 11th. Please contact president@tarheeltrailblazers.com for more information.
