## Catawba Riverfront Classic Success

The weather cooperated and Neal and his Charlotte Sports Cycling crew put on another fantastic Riverfront Classic mountain bike race yesterday. This is a major fundraiser for the Tarheel Trailblazers and we want to thank all those involved in making this a big success:

**Thank you volunteers!**

**Thank you racers!**

**Thank you U.S. National Whitewater Center!**

**and a special Thanks to Neal Boyd and Charlotte Sports Cycling!**

Neal and his crew make their races truly seamless events for all levels of racers - from experts/pros, to first time racers. Yesterday was no exception.

Thanks to everyone for participating.
